The St. Teresa of Avila Catholic Student Center affirms the importance of local families’ investment in parish life, at the same time that it appreciates the desire of those families looking for a clear cut way to help/support campus ministry. College students benefit from the involvement and support of diverse members of the larger Catholic community, and many members of the diocese draw special inspiration from working and worshipping with young persons who are actively forming themselves intellectually, professionally, and spiritually. We encourage you to become active and supportive of this community, and we welcome you and cherish your gifts and talents.
